

Health Plans *in New York City*

Basic Services

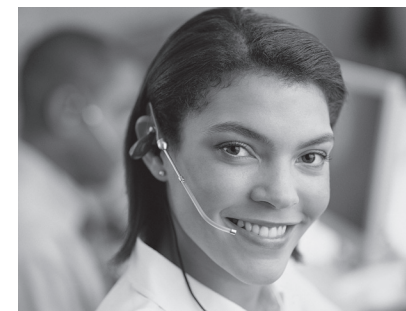

All health plans provide the same basic health services such as - doctor visits, hospital stays, emergency care and other basic health care.

Doctors & Hospitals

Speak to a Medicaid Choice counselor to learn which health plans are accepted by the doctors you see now, or by doctors at locations near where you live or work.

Other Services

Health plans also cover other services such as dental care, medications, mental health, and community and home based services.
